TECGEN51 Return & Exchange

Goods will not be accepted without a valid return goods authorization number (RGA#)*. RGAs are obtainable from your Customer Service Representative. Returns or exchanges are not permitted past 90 days.

Gear can be exchanged or returned as long as there is no customization (lettering, additional options) and if it is in completely new, unused condition. Customized products cannot be returned or exchanged. Fire-Dex will not accept Return Requests to add options to previously purchased gear. Any additional options and lettering must be requested at the time of order. If options or lettering need to be added to gear that has already been purchased, these additions will need to be made by an ISP.

Authorized returns of goods which came from our stock will be charged a 25% restocking charge unless found defective in material or workmanship under warranty. Items that are not stocked are non-returnable.

*Gear must be from current production standards. All returned goods must be returned clean (in accordance with guidelines of NFPA 1500), to facilitate inspection for proper handling. Goods that have not been cleaned will be sent back freight collect.
