### HGACBuy Open House

The challenges created by COVID-19 have put a halt to our 2021 conferences. As our contract partners, we know you are facing similar challenges with just the simple desire to have face-to-face meetings with your customers. To help you develop awareness of your services and products, the HGACBuy Team will host a Virtual Open House for all our Contract Categories within the program using the Zoom platform. There's no cost to participate.

The Contract Category and Contract open house dates will be selected at random. In order to participate we ask that all our Contract Partners register their Public Relations contact. Please visit our HGACBuy Marketing Materials link and review and download the "Policies & Procedures for Marketing".

There will be a link in the document for "Public Relations Contact". The information you provide us allows us to contact you for this and future HGACBuy Marketing campaigns. If your sales leadership would like to be included, please include their contact information as well.
