

Category	Description	Designation	Propulsion (if applicable)	Price 2026
Plug-In Chargers				
Electrical – Battery & Battery Chargers	ABB HVC-C150kW Depot Charger with 1 Dispenser/Charge Box with single 7m CCS1 cable; Sequential Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight, Buy America Compliant. See Miscellaneous Items below for accessories.	Equipment - ABB HVC-C150kW Depot Charger with 1 Dispenser	(electric only)	\$ 129,436.40
Electrical – Battery & Battery Chargers	ABB HVC-C150kW Depot Charger with 2 Dispenser/Charge Box with single 7m CCS1 cable each; Sequential Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight; Buy America Compliant. See Miscellaneous Items below for accessories.	Equipment - ABB HVC-C150kW Depot Charger with 2 Dispensers	(electric only)	\$ 148,416
Electrical – Battery & Battery Chargers	ABB HVC-C150kW Depot Charger with 3 Dispenser/Charge Box with single 7m CCS1 cable each; Sequential Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight; Buy America Compliant. See Miscellaneous Items below for accessories.	Equipment - ABB HVC-C150kW Depot Charger with 3 Dispensers	(electric only)	\$ 162,581.47
Electrical – Battery & Battery Chargers	Heliox Flex DC 180kW Depot Charger with 1 dispenser (Column) with single 7m CCS1 cable; Dynamic Charging; column pedestal; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant. See Miscellaneous items below for accessories.	Equipment - Heliox Flex DC 180kW Depot Charger with 1 Dispenser	(electric only)	\$ 117,258
Electrical – Battery & Battery Chargers	Heliox Flex DC 180kW Depot Charger with 2 dispensers (Column) with single 7m CCS1 cable each; Dynamic Charging; column pedestal; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant. See Miscellaneous items below for accessories.	Equipment - Heliox Flex DC 180kW Depot Charger with 2 Dispensers	(electric only)	\$ 142,276.36
Electrical – Battery & Battery Chargers	Heliox Flex DC 180kW Depot Charger with 3 dispensers (Column) with single 7m CCS1 cable each; Dynamic Charging; column pedestal; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant. See Miscellaneous items below for accessories.	Equipment - Heliox Flex DC 180kW Depot Charger with 3 Dispensers	(electric only)	\$ 167,223
Electrical – Battery & Battery Chargers	ABB Terra 124 CC UL with single 6m CCS1 cable each; Dynamic Charging; 7" high-brightness color touchscreen display; RFID; support for OCPP 1.6 integrations and cellular modem. Remote Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight	Equipment - Terra 124 CC UL	(electric only)	\$ 83,570.78
Electrical – Battery & Battery Chargers	ABB Terra 184 CC UL with single 6m CCS1 cable each; Dynamic Charging; 7" high-brightness color touchscreen display; RFID; support for OCPP 1.6 integrations and cellular modem. Remote Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight	Equipment - Terra 184 CC UL	(electric only)	\$ 93,011
Electrical – Battery & Battery Chargers	60kW Unidirectional Smart Inverter, Unidirectional Inverter: 60kW; EV Charging Unidirectional Dispenser; Standard Warranty (2 years); Onsite Commissioning, Freight; Buy America Compliant	Equipment - Borg Warner (Rhombus) 60kW unidirectional	(electric only)	\$ 67,788.54
Electrical – Battery & Battery Chargers	120kW Smart Inverter, EV Charging Unidirectional Dispenser; Dynamic Charging; Standard Warranty (2 years); On-site Commissioning; Freight; Buy America Compliant	Equipment - Borg Warner (Rhombus) 120kW unidirectional	(electric only)	\$ 101,804
Electrical – Battery & Battery Chargers	120kW Smart Inverter, EV Charging Unidirectional with 2 Dispensers; Dynamic Charging; Standard Warranty (2 years); On-site Commissioning; Freight; Buy America Compliant	Equipment - Borg Warner (Rhombus) 120kW unidirectional with 2 dispensers	(electric only)	\$ 115,048.34
Electrical – Battery & Battery Chargers	125kW Smart Inverter, EV Charging Unidirectional with 1 Dispenser; Sequential Charging; Standard Warranty (2 years); On-site Commissioning; Freight; Buy America Compliant	Equipment - Borg Warner (Rhombus) 125kW unidirectional with 1 dispensers	(electric only)	\$ 105,413
Electrical – Battery & Battery Chargers	125kW Smart Inverter, EV Charging Unidirectional with 2 Dispensers; Sequential Charging; Standard Warranty (2 years); On-site Commissioning; Freight; Buy America Compliant	Equipment - Borg Warner (Rhombus) 125kW unidirectional with 2 dispensers	(electric only)	\$ 118,657.03

Electrical – Battery & Battery Chargers	Siemens Sicharge 150kW Depot Charger with 1 Dispenser/Charge Box with single 7m CCS1 cable; Sequential Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (- Year 1; Freight; Buy America Compliant. See Miscellaneous Items below for accessories.	Equipment - Siemens Sicharge 150kW Depot Charger with 1 Dispenser	(electric only)	\$ 122,553
Electrical – Battery & Battery Chargers	Siemens Sicharge 150kW Depot Charger with 2 Dispensers/Charge Box with single 7m CCS1 cable each; Sequential Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant. See Miscellaneous Items below for accessories.	Equipment - Siemens Sicharge 150kW Depot Charger with 2 Dispensers	(electric only)	\$ 144,392.84
Electrical – Battery & Battery Chargers	Siemens Sicharge 150kW Depot Charger with 3 Dispensers/Charge Box with single 7m CCS1 cable each; Sequential Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant. See Miscellaneous Items below for accessories.	Equipment - Siemens Sicharge 150kW Depot Charger with 3 Dispensers	(electric only)	\$ 166,155
Overhead/Opportunity Chargers				
Electrical – Battery & Battery Chargers	ABB HVC-PD 150kW Overhead Charger with Mast-mounted or Structure-mounted Pantograph; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight; Buy America Compliant	Equipment - ABB HVC-PD 150kW Overhead Charger - Mast Mounted Pantograph/Structure Mounted pantograph	(electric only)	\$ 329,816.43
Electrical – Battery & Battery Chargers	ABB HVC-PD 300kW Overhead Charger with Mast-mounted or Structure-mounted Pantograph; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight; Buy America Compliant	Equipment - ABB HVC-PD 300kW Overhead Charger - Mast Mounted Pantograph/Structure Mounted Pantograph	(electric only)	\$ 417,101
Electrical – Battery & Battery Chargers	ABB HVC-PD 450kW Overhead Charger with Mast-mounted or Structure-mounted Pantograph; Power cabinet metal frame; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software (Operator Pro) - Year 1; Freight; Buy America Compliant	Equipment - ABB HVC-PD 450kW Overhead Charger - Mast Mounted Pantograph/Structure Mounted pantograph	(electric only)	\$ 512,339.03
Electrical – Battery & Battery Chargers	Heliox Flex DC 180kW Depot Charger with Pantograph (250A) for Structure Mount; Dynamic Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment - Heliox Flex DC 180kW Charger with Overhead Pantograph System 1:1	(electric only)	\$ 166,360
Electrical – Battery & Battery Chargers	Heliox Flex DC 180kW Depot Charger with 2 Pantographs (250A) for Structure Mount; Dynamic Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment - Heliox Flex DC 180kW Charger with Overhead Pantograph System 1:2	(electric only)	\$ 235,808.67
Electrical – Battery & Battery Chargers	Heliox Flex DC 180kW Depot Charger with 3 Pantographs (250A) for Structure Mount; Dynamic Charging; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment - Heliox Flex DC 180kW Charger with Overhead Pantograph System 1:3	(electric only)	\$ 305,183
Electrical – Battery & Battery Chargers	Heliox Ultra Fast 360kW Depot Charger with Pantograph (600A) for Structure Mount; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment - Heliox Ultra Fast 360kW Charger with Overhead Structurally mounted Pantograph	(electric only)	\$ 303,101.89
Electrical – Battery & Battery Chargers	Heliox Ultra Fast 360kW Depot Charger with Mast and Pantograph (600A); Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment- Heliox Ultra Fast 360kw Charger with Overhead Charging Mast Mounted Pantograph	(electric only)	\$ 456,330
Electrical – Battery & Battery Chargers	Heliox Ultra Fast 540kW Depot Charger with Pantograph (600A) for Structure Mount; Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment - Heliox Ultra Fast 540kW Charger with Overhead Structurally mounted Pantograph	(electric only)	\$ 466,699.88
Electrical – Battery & Battery Chargers	Heliox Ultra Fast 540kW Depot Charger with Mast and Pantograph (600A); Onsite Commissioning; Standard Warranty (2 years); Charger Wireless Connection - Year 1; Charger Monitoring Software - Year 1; Freight; Buy America Compliant	Equipment- Heliox Ultra Fast 540kw Charger with Overhead Charging Mast Mounted Pantograph	(electric only)	\$ 619,928
Mobile Charger				
Electrical – Battery & Battery Chargers	Heliox Fast DC 50 kW Mobile Charger with single 3m CCS1 cable; Onsite Commissioning; Standard Warranty (1 year); Charger Wireless Connection - Year 1; Freight;	Equipment - Heliox Fast DC 50 kW Mobile Charger	(electric only)	\$ 55,907.37

Charge Mangement System				
Electrical – Battery & Battery Chargers	ChargePilot Starter Kit ; Connectivity Router; ChargePilot Mobile Data - per site. Total cost is a combination of the three TMH line items.	The Mobility House (TMH) - Base Equipment cost per site	(electric only)	\$ 14,608
Electrical – Battery & Battery Chargers	CMS Commissioning with all relevant parameters in the system - per dispenser. Total cost is a combination of the three TMH line items.	The Mobility House (TMH) - Commissioning per dispenser	(electric only)	\$ 1,059.10
Electrical – Battery & Battery Chargers	ChargePilot Fleet Charging and Energy Management License - annual per dispenser. Total cost is a combination of the three TMH line items.	The Mobility House (TMH) - Annual licensing per dispenser	(electric only)	\$ 1,853
Miscellaneous				
Electrical – Battery & Battery Chargers	Depot Charge box pedestal, Cable Management System	ABB Dispenser Option	(electric only)	\$ 6,325
Electrical – Battery & Battery Chargers	Cable Management	Heliox/BorgWarner, Siemense Dispenser Option	(electric only)	\$ 3,967.74
Electrical – Battery & Battery Chargers	Metral Frame	ABB Metal frame	(electric only)	\$ 3,201
Electrical – Battery & Battery Chargers	New Flyer Infrastructure Solutions staff - Engineering, project management, coordination and consulting services (Hourly Rate)	New Flyer Infrastructure Solutions Engineering & Project Management Staff (hourly rate)	(electric only)	\$ 170.35
