

INSTRUCTIONS: Locate the chair configuration you need by model, armrest type, and coverset style. **Select the Product Description and Price cells** of the chair you want to add to the H-GAC Worksheet. **Copy the cells by typing Ctrl+C** on your keyboard, then **switch over to the H-GAC Contract Pricing Wksht Sheet tab** at the bottom of this document. Once there, click on an **empty cell under the Description heading in Section A**. **Paste the chair details by typing Ctrl+V** on your keyboard. Fill in the desired Quantity and the price will automatically calculate.
