## **FOL-DA-TANK®, LLC January 2024 Price List and Part Number Key**

### **DUTIES OF FOL-DA-TANK**

FOL-DA-TANK has established the following list of responsibilities to which it will hold itself accountable.

1. Promptly fulfill distributor's orders and provide administrative support in shipping products. Furnish written order acknowledgements confirming part number, description, price, and expected ship date for every order submitted by distributor.
2. Issue a Price List and Part Number Key to include standard products offered for sale. This confidential document will be sent to the noted contact at each distributor at least one month prior to its effective date via PDF and will be supplied in other formats upon request.
3. Provide quotes for custom products within 1 business day after receipt of all necessary information.
4. Provide factory warranty service and factory repair service for the FOL-DA-TANK branded products.
5. Provide technical support to distributor personnel by telephone, email, video conference or any other remote service means.
6. Via an email newsletter and distributor portal, provide information to distributor describing products for use in distributor's advertising and promotional efforts for the products and furnish, as available, reasonable numbers of brochures, product descriptions/specifications, videos, or other promotional materials regularly issued by FOL-DA-TANK to assist distributor promotion and sale of products. FOL-DA-TANK, subject to FOL-DA-TANK'S reasonable review and distributor's compliance with FOL-DA-TANK guidelines or standards, grants distributor a license to reprint (and translate) any of FOL-DA-TANK sales promotional literature in connection with distributor's sales, advertisements, and promotions of the products. Distributor shall not in any way alter or change the appearance of or technical features of FOL-DA-TANK product literature.
7. Exhibit annually at FDIC.
8. Make factory virtual training available to distributor's technical and sales personnel in the use, sales and installation of the products.
9. Provide loaner equipment for local and regional trade shows at which the distributor exhibits.
10. Provide reasonable assistance as mutually agreed to enable distributor to acquire relevant approvals to sell products, including type approvals for using products in firefighting apparatus and applicable certifications that are relevant to a particular product.
11. FOL-DA-TANK will attempt to steer leads for FOL-DA-TANK products to distributor and, when communicating with end-users, will refer them to distributor.
