PRODUCT AND PRICING BULLETIN

NEW HOLLAND BRAND PRODUCTS, U.S. NO. 18-23A

NEW HOLLAND DEALERS WITH MRT AGREEMENT

SUBJECT: AG TELEHANDLERS: COMPLETE REVISION – EFFECTIVE 10/1/2018

Attached, please find complete price and data revisions regarding the Large Frame Ag Telehandlers, and reflects a general economic increase for units invoiced 10/1/2018 and beyond.

Model Year 2019 product offerings for the Large Frame Ag Telehandlers remain the same as Model Year 2018.

We continue the development process of providing you with an improved compact telehandler lineup that drives efficiency, meets on-the-job requirements and is fully compliant with Tier 4B emissions. We anticipate an on-time release of this product in Q4 of 2018.

This bulletin and the price pages may be accessed via the Dealer Portal if you have the MRT agreement with New Holland. Log on to the Dealer Portal. With the "Wholegoods" button displayed, click on "Pricing," click on "Tractors," and then click on "Telehandlers." The latest published items will appear at the top of the list.

Please replace your current P&D pages with those attached to this bulletin.

NOTE: These attachments are manufactured by Paladin, and are shipped freight collect from their factories in Delhi, IA and Dexter, MI. Attachments are ordered through your normal New Holland contacts, and will usually be shipped within three to four weeks. Attachment orders should be linked to telehandler orders to help all items arrive together.

Attachments are eligible for the same incentive programs and bid, fleet and rental discounts as the telehandler base unit ONLY IF sold and settled with a telehandler.

All repair parts are supplied by the manufacturer, not New Holland. For parts support, please call 1-800-899-7505.

Paladin also offers specialty attachments to fit the LM Large Frame Telehandlers: Contact them directly for availability and pricing.

LM Large Frame Telehandler attachments listed above will also fit the LM6.28 model.
