ORV250LT	150 ft-lb Class Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, carrier specific upper mounting bracket,	\$6,329.00
SSORV250LT	150 ft-lb Class Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, Compact Utility Loader (Toro Dingo) mounting plate	\$6,588.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$204.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$522.00
	Compact Utility Loader (Toro Dingo) mounting plate	\$1,618.00
ORV250HD	225 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$ 6,744.00
SSORV250H	225 ft-lb Class Skid Steer Breaker assembly c/w box housing, tool box with N2 charging gauge whip hoses, choice of working tool, Compact Utility Loader (Toro/Dingo) mounting plate	\$7,003.00
SSORV250H COMBO Package	225 ft-lb Class Breaker assembly for Skid Steer/ Mini-Excavator combination c/w box housing, tool box with N2 charging gauge whip hoses, choice of working tool, Compact Utility Loader (Toro/Dingo) mounting plate + Center Section + Mini Excavator Combination; for operator friendly interchangeability. Currently offered for Tag QC027 (1/8 yd.) Mini-Excavator coupler system	\$9,053.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$204.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$522.00
	Mini-excavator upper mounting bracket	\$1,585.00
	Separate Compact Utility Loader (Toro Dingo) mtg. plate	\$1,618.00
	Separate Universal UMB c/w pins & bushings	\$2,219.00
	Whip hose retainer spring for skid steer package	\$103.00
ORV400	375 ft-lb Class Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, carrier specific upper mounting bracket	\$ 8,196.00

SSORV400	375 ft-lb Class Skid Steer Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting bracket	\$8,689.00
SSORV400 COMBO Package	375 ft-lb Class Breaker assembly for Skid Steer/ Mini-Excavator combination c/w box housing, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting plate + Center Section + Mini Excavator Combination; for operator friendly interchangeability. Currently offered for JD ZTS, Wain-roy, Currently offered for Tag QC027 (1/8 yd.) Mini-Excavator coupler system	\$11,101.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$216.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$522.00
	Separate Mini-excavator upper mounting bracket	\$1,585.00
	Separate Skid Steer mounting plate	\$1,791.00
	Universal UMB c/w pins & bushings	\$2,219.00
	Whip hose retainer spring for skid steer package	\$103.00
ORV550	550 ft-lb Class Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, carrier specific upper mounting bracket	\$ 8,819.00
SSORV550	550 ft-lb Class Skid Steer Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting bracket	\$9,312.00
SSORV550 COMBO Package	550 ft-lb Class Breaker assembly for Skid Steer/ Mini-Excavator combination c/w box housing, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting plate + Center Section + Mini Excavator Combination; for operator friendly interchangeability. Currently offered for JD ZTS, Wain-roy, Currently offered for Tag QC027 (1/8 yd.) Mini-Excavator coupler system	\$11,724.00
ORV550	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$309.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$522.00
	Separate Mini-excavator upper mounting bracket	\$1,585.00
	Separate Skid Steer mounting plate	\$1,791.00
	Separate Universal UMB c/w pins & bushings	\$2,219.00
	Whip hose retainer spring for skid steer package	\$103.00

ORV800S	850 ft-lb Class Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, carrier specific upper mounting bracket	\$ 10,375.00
SSORV800S	850 ft-lb Class Skid Steer Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting bracket	\$10,868.00
SSORV800S COMBO Package	850 ft-lb Class Breaker assembly for Skid Steer/ Mini-Excavator combination c/w box housing, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting plate + Center Section + Mini Excavator Combination; for operator friendly interchangeability. Currently offered for JD ZTS, Wain-roy, Currently offered for Tag QC027 (1/8 yd.) Mini-Excavator coupler system	\$13,436.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$406.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$522.00
	Separate Mini-excavator upper mounting bracket	\$1,585.00
	Separate Skid Steer mounting plate	\$1,791.00
	Separate Universal UMB c/w pins & bushings	\$2,219.00
	Whip hose retainer spring for skid steer package	\$103.00
ORV1000	1000 ft-lb Class Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting bracket	\$14,214.00
SSORV1000	1000 ft-lb Class Skid Steer Breaker assembly c/w side plate breaker bracket, tool box with N2 charging gauge whip hoses, choice of working tool, Skid Steer mounting bracket	\$14,888.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$520.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$638.00
	Separate Back-Hoe / Mini-Exc. upper mounting bracket	\$1,913.00
	Separate Skid Steer mounting plate	\$2,286.00
	Separate Universal UMB c/w pins & bushings	\$2,574.00
	Whip hose retainer spring for skid steer package	\$103.00

ORV1300	1,500 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$17,430.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$546.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$638.00
	Separate Back-Hoe / Exc. upper mounting bracket	\$1,913.00
	Separate Universal UMB c/w pins & bushings	\$2,773.00
ORV2500	2,500 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$32,163.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$931.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$694.00
	Separate Excavator upper mounting bracket	\$1,913.00
	Separate Universal UMB c/w pins & bushings	\$4,398.00
	Coupler specific UMBs such as Volvo S series bracket	\$5,495.00
ORV3000	3,000 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$40,463.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$1,035.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$1,192.00
	Separate Excavator upper mounting bracket	\$3,497.00
	Separate Universal UMB c/w pins & bushings	\$4,398.00
	Coupler specific UMBs such as Volvo S series bracket	\$5,495.00
ORV4000	4,000 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$45,650.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$1,347.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$1,192.00
	Separate Excavator upper mounting bracket	\$3,497.00
	Separate Universal UMB c/w pins & bushings	\$4,398.00
	Coupler specific UMBs such as Volvo S series bracket	\$5,495.00
	HD Quarry Kit (Abrasion resistant bracket steel & rock claw)	\$5,084.00

ORV5000	5,000 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$56,025.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$2,075.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$1,327.00
	Separate Excavator upper mounting bracket	\$4,262.00
	Separate Universal UMB c/w pins & bushings	\$5,589.00
	Coupler specific UMBs such as Volvo S series bracke	\$5,780.00
	HD Quarry Kit (Abrasion resistant bracket steel & rock claw)	\$6,225.00
ORV7500	7,500 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$70,550.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$2,491.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$1,479.00
	Separate Excavator upper mounting bracket	\$4,262.00
	Separate Universal UMB c/w pins & bushings	\$5,741.00
	Coupler specific UMBs such as Volvo S series bracket	\$5,780.00
	HD Quarry Kit (Abrasion resistant bracket steel & rock claw)	\$7,781.00
ORV10000	10,000 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$106,863.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$3,531.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$1,728.00
	Separate Excavator upper mounting bracket	\$5,355.00
	Separate Universal UMB c/w pins & bushings	\$7,083.00
	HD Quarry Kit (Abrasion resistant bracket steel & rock claw)	\$11,755.00
ORV12000	12,000 ft-lb Class Breaker assembly c/w box housing, tool box with N2 charging gauge, whip hoses, carrier specific upper mounting bracket, choice of working tool	\$126,056.00
	<u>Options</u>	
	Additionalmoil point, cross-cut chisel, or in-line chisel	\$3,640.00
	Mtg. Pins (x2) for carrier specific upper mounting bracket	\$1,900.00
	Separate Excavator upper mounting bracket	\$5,355.00
	Separate Universal UMB c/w pins & bushings	\$7,083.00
	HD Quarry Kit (Abrasion resistant bracket steel & rock claw)	\$14,525.00

AUTOMATIC LUBRICATION OPTIONS

Part #	Description	List
<u>CARRIER MOUNT AUTO LUBE KITS:</u>		
#AL1GA	• 1 gal. auto lube for mini thru 16 ton carrier	\$2,382.00
#AL2GA	• 2 gal. auto lube for 20 ton thru 32 ton carrier	\$2,714.00
#AL2GAV	• 2 gal. auto lube for 35 ton thru 60 ton carrier	\$3,370.00
All 24 volt carrier mounted kits come complete with lube pump, hoses, hardware, fittings, wiring, low level warning light, mounting bracket, instructions and 35# pail of chisel paste.		
<u>BREAKER MOUNT AUTO LUBE KIT:</u>		
#ALKHCOMPKIT*	• For All Carriers	\$3,173.00
-	• Optional Factory Installation (Breaker Mount Auto Lube Kit)	\$534.00
(*): Kit comes complete with an adjustable variable displacement pump, mount, instructions, and a case of chisel paste (24 tubes).		
<u>CHISALE PASTE OPTIONS:</u>		
CP14C	• Chisel Paste-case of 20 Conventional tubes	\$186.00
CPMAX	• 24 tube case of Chisel Paste tubes for use in our breaker mount kit	\$306.00
CP35	• Chisel Paste-35# Pail (5 gal.)	\$321.00

All breakers include a tool box complete with N2 charging kit and choice of (1)moil point, crosscut chisel, in-line chisel, or blunt chisel. Carrier specific upper mounting brackets use factory bucket pin diameters and pin spacing to allow use of pin type quick attach systems. Custom upper mounting brackets are available for a variety of other types of quick attach systems (consult Okada America parts department or Okada America field sales representatives).

Whip hoses, now provided as standard equipment are offered in the diameter (I.D.) as specified in the parts / operator's manual and spec sheet. The standard lengths for models up through ORV3000 is 96"; while the TOP400 and larger have lengths of 120 inches. For length requirements other than these, please consult Okada America for price variance and availability.

Prices are fob Okada America shipping location. Okada America reserves the right to change specifications and price without notice.
