

Extended Warranty Program — Pricing Matrix

HGACBuy Solicitation GE08-26 | Catalog Discount & Options Pricing Form

Manufacturer: Generac Industrial Power. The prices below are Generac Industrial dealer list prices for the Extended Warranty Program. Each price cell shows two figures: the upper figure is the standard List price; the lower bold navy figure is the HGACBuy Net price (List less the 10% Point-of-Purchase discount stated on the Options form).

Coverage terms: 5-Year (5C), 7-Year (7C), and 10-Year (10C) extended drivetrain/component warranty packages. Prices shown reflect Premium coverage, except for the gas 625–750 kW and 1 MW bands, where Generac publishes Basic coverage only (noted below).
