

2020 HGAC Price List

Icon Shelter Systems
1455 Lincoln Ave.
Holland, MI 49423
PH. 1-800-748-0985
FAX. 616-396-0944

Specification

Specifications are available upon request for all of the standard shelters listed in this pricing manual. Standard design loads for these shelters are 25.00 p.s.f. ground snow loading and a 90.00 m.p.h. wind speed according to the International Building Code requirements. The product specifications in this pricing manual are correct at the time of issue; however, ICON Shelter Systems, Inc. reserves the right to change specifications at any time to reflect product improvements.

Pricing:

The pricing included in this document are effective as of the date on the document and will be in force until a new document is issued. The prices are effective F.O.B. Holland, Michigan. the freight cost is calculated separately from the pricing information and is not included in the pricing shown. Applicable taxes should be added unless a tax-exempt certificate is provided with the order. Prices are subject to change without notice.

Terms:

Payment in full is required within 30 days after shipment date on approved credit. No retainages accepted.

Delivery:

Depending on the size of the building and the quantity, the shelter will be shipped on a flatbed truck and delivered to the jobsite. Detailed address and directions are required for shipment. Due to the nature of the product and delivery methods, unforeseen delays in delivery are possible. ICON Shelter Systems, Inc. will not honor or be held accountable for liquidated damages of any kind.

Receipt of Product:

Unloading of the material is the buyer's responsibility. In most cases, a forklift will be required and will be the responsibility of the buyer to be used for unloading. Buyer or authorized agent must inspect the shipment at the time of arrival and verify it against the bill of lading. The bill of lading will be with the carrier and is the link between the buyer and the carrier. ICON therefore is released of all responsibility of loss and/or damage in transit. Damages or shortages shall be noted on the delivery receipt and shall be reported to ICON Shelter Systems, Inc. immediately by phone or in writing. Failure to report shortages or damages within 5 business days of receiving the product shall be deemed as a full and complete acceptance of materials.

Material Storage:

It is the sole responsibility of the buyer to provide for protection of the materials after arrival at the jobsite. Storage of any wood components and other materials must be in a dry place out of the sun and other elements. Exposure to the sun, rain and other elements can cause warping, staining and other undesirable affects on the wood materials.

Price List Definitions and Standards

The buildings shown within this price list are priced with all of the standard options available for that given building style. If additional items are needed or required please refer to the Accessory Price List pages for all additional options. All accessory options listed are not available on all models and styles. All buildings are designed based on a column base that is recessed 6" below top of concrete slab, if a column is required to be at the same level as the top of slab, column base covers can be ordered to cover the base plates that will be exposed.

Engineered drawings are provided with the shipment for installation requirements. Should a building permit be required for your structure sealed Engineered drawings along with calculations can be provided for a small fee, see Accessory Price List for applicable charges. The standard engineering package is (2) sealed calculation books along with (4) sealed engineered drawings. The standard engineering package includes the structural design of the shelter structure along with the foundation design for that shelter type and the local loading requirements. The foundations are design to the applicable building code standards and requirements unless a site specific soils report is supplied.

If preliminary drawings are required that can be downloaded from the ICON website or they can be requested from the ICON office and can be emailed to you at that time.

The tables shown here gives you the shelter style designations as well as the roof type designations that are used within this price list. If you need more information about the styles and types of shelters please see the ICON website for more information.

Roof Code Definitions

M - Multi-rib panel roof
T - Tongue and groove roof
S - Standing seam roof
G - Mega-rib panel roof
A - Asphalt shingles
C - Cedar shingles
H - Heavy Tile (Not By Icon)
R - Recycled Plastic Wood
B - Concrete
W - Treated 2X6 Lumber
Z - Custom Roof Deck
D - Maxima Panel Roof 2:16
E - Curve Slat
F - Uneven Straight Slat
J - Uneven Curve Slat
K - Straight Slat
L - Inverted Curve Slat
O - Gable Slat

Column Connection

The Standard Column connection is 6" buried, add the following charger per column for Surface mount with base covers

\$50 per Column

Shelter Upgrades

Discount: 10.00

Discount Applies to all Items Listed

Shelter Upgrades

Shelter Upgrades As stated previously the standard shelter has been designed for a 25.00 p.s.f. snow load and a 90.00 m.p.h. wind speed based on the 2018 IBC. Not all areas have this loading type and there are different loads based on different building codes. We have allowed for pricing in areas that have higher snow, wind and seismic and these adds are shown next to the shelter type being priced. Some shelter styles may or may not have the type of roof system that is required and the pricing shown in the table allows Tongue & Groove wood decking and Standing Seam roofing to be added to any of our shelter styles.

Increased Frame Loads (High Wind, Snow, Seismic Loads)	See Price List
Increase Square Footage of Cover	\$72.8 Per Sqft Of Cover
Add Tongue & Groove Roof Deck	\$5.26 Per Sqft of Roofing
Add Standing Seam Roof Deck	\$4.82 Per Sqft of Roofing
Upgrade to Non-Standard Roof deck	\$5.52 Per Sqft of Roofing
Live Roof Upgrade	\$20 Per LF of Plant Material
Wall Kit	\$20 Per LF of Wall

Shelter Installation	See Price List
4" Thick Concrete Slab (Concrete and Installation)	
Pier Footing (Concrete and Installation)	

Large Sports Covers

I Beam Sports covers	\$12.00 Per SF
