Cyclone Surface Cleaning Walk Behind System (Low Pressure)	CY210	\$ 20,049.25	\$ 19,046.79	Walk behind pressure washing attachment with full recovery	Weight: 410 lbs. Dimensions: 68" x 35" x 42"
Cyclone Surface Cleaning Trailer System Vehicle	TR5000	\$ 65,386.75	\$ 62,117.41	Pressure washing trailer with full recovery, non recycling, includes CY210 walk behind	Weight Empty: 3,300 lbs. Weight Full: 6,052 lbs. Dimensions: 179" x 82" x 77"
Cyclone Surface Cleaning Trailer System Vehicle	TR5500	\$ 80,499.25	\$ 76,474.29	Pressure washing trailer with full recovery, plus recycling, includes CY210 walk behind	Weight Empty: 4,100 lbs. Weight Full: 7,080 lbs. Dimensions: 179" x 82" x 77"
Cyclone Surface Cleaning System Vehicle (Truck-Integrated)	SK2	\$ 267,491.25	\$ 254,116.69	Truck Integrated (Ford F550) Pressure washing system with full recovery, plus recycling, dual water pump configuration includes CY210 walk behind	Weight Empty: 13,300 lbs. Weight Full: 18,000 lbs. Dimensions: 276" x 92" x 90"
Cyclone Surface Cleaning System Vehicle	CY5000	\$ 186,891.25	\$ 177,546.69	Ride-On Pressure washing system with full recovery, non recyling	Weight Empty: 5,280 lbs. Weight Full: 8,282 lbs. Dimensions: 161" x 65" x 80"
Cyclone Surface Cleaning System Vehicle (Enhanced)	CY5500	\$ 200,996.25	\$ 190,946.44	Ride-On Pressure washing system with full recovery, plus recyling	Weight Empty: 5,880 lbs. Weight Full: 9,132 lbs. Dimensions: 161" x 65" x 80"
Cyclone Surface Cleaning Walk Behind System (Ultra High Pressure)	CY200UHP	\$ 48,863.75	\$ 46,420.56	Ultra High Pressure Walk behind Rubber and Paint Removal attachment with full recovery	Weight: 410 lbs. Dimensions: 68" x 35" x 42"
Cyclone Rubber and Paint removal system Vehicle (Truck-Integrated)	4006ST	\$ 654,875.00	\$ 622,131.25	Truck Integrated (Ford F550) Rubber and Paint Removal system with full recovery and waste separation. Single head configuration (rubber)	Empty Weight: 14,620 lbs. GVW: 19,500 lbs. Dimensions: 342" x 94" x 88"
Cyclone Rubber and Paint removal system Vehicle (Purpose-built)	4006AC	\$ 780,812.50	\$ 741,771.88	Purpose Built Rubber and Paint Removal system with full recovery and waste separation. Dual head configuration (rubber & paint)	Empty Weight: 27,000 lbs. GVW: 43,000 lbs. Dimensions: 447" x 95" x 122"
Cyclone Rubber and Paint removal system Vehicle (Truck-Integrated)	4006HT	\$ 831,187.50	\$ 789,628.13	Truck Integrated (Autocar Xpert) Rubber and Paint Removal system with full recovery and waste separation. Single head configuration (rubber)	Empty Weight: 30,000 lbs. GVW: Up to 44,000 lbs. Dimenssions: 412" x 96" x 138"
Cyclone Clean Rubber Remover 5 gal. Pail	4035 -CCRR5	\$ 96.30	\$ 91.49	eco-friendly cleaning solution that emulsifies rubber from the runway surface dissolving the rubber residue into the solution. When combined with heavy duty sweeper/broom scrubbing action or hydro agitation, Aerogreen 4035 thoroughly removes runway rubber residue, making the touch down zone safe for landing aircrafts. It is safe for metals, runway lights, runway pavement seals, and caulking compounds.	12x12x15 - 47 lbs.

Cyclone Clean Rubber Remover 55 gal. Drum	4035-CCRR55	\$ 613.25	\$ 582.59	eco-friendly cleaning solution that emulsifies rubber from the runway surface dissolving the rubber residue into the solution. When combined with heavy duty sweeper/broom scrubbing action or hydro agitation, Aerogreen 4035 thoroughly removes runway rubber residue, making the touch down zone safe for landing aircrafts. It is safe for metals, runway lights, runway pavement seals, and caulking compounds.	35x23 - 500 lbs.
Cyclone Clean Rubber Remover 330 gal. Tote	4035-CCRR330	\$ 3,313.20	\$ 3,147.54	eco-friendly cleaning solution that emulsifies rubber from the runway surface dissolving the rubber residue into the solution. When combined with heavy duty sweeper/broom scrubbing action or hydro agitation, Aerogreen 4035 thoroughly removes runway rubber residue, making the touch down zone safe for landing aircrafts. It is safe for metals, runway lights, runway pavement seals, and caulking compounds.	48x48x54 - 2,950 lbs.
Cyclone Clean Heavy Duty De Greaser 5 gal. Pail	4160-CCDG5	\$ 85.50	\$ 81.23	concentrated, water-based cleaner manufactured for use in cold parts washers and heated spray cabinet washers. Specially designed to provide superior cleaning of aviation systems, engine support equipment, industrial equipment, and automotive components. Aerogreen 4160 is an environmentally safe drop-in replacement for hazardous solvents.	12x12x15 - 47 lbs.
Cyclone Clean Heavy Duty De Greaser 55 gal. Drum	4160-CCDG55	\$ 775.50	\$ 736.73	concentrated, water-based cleaner manufactured for use in cold parts washers and heated spray cabinet washers. Specially designed to provide superior cleaning of aviation systems, engine support equipment, industrial equipment, and automotive components. Aerogreen 4160 is an environmentally safe drop-in replacement for hazardous solvents.	35x23 - 500 lbs.
Cyclone Clean Heavy Duty De Greaser 330 gal. Tote	4160-CCDG330	\$ 4,323.00	\$ 4,106.85	concentrated, water-based cleaner manufactured for use in cold parts washers and heated spray cabinet washers. Specially designed to provide superior cleaning of aviation systems, engine support equipment, industrial equipment, and automotive components. Aerogreen 4160 is an environmentally safe drop-in replacement for hazardous solvents.	48x48x54 - 2,950 lbs.
Cyclone Clean Concentrated Aircraft Cleaner 12, 1 qt Case RTU	4065-CCAC12	\$ 65.52	\$ 62.24	a water based, 100% readily biodegradable aircraft and helicopter cleaner that removals soils from painted and unpainted surfaces . Diluted with water, this cleaner, can be applied by brush, foam generator, mop, spray or sponge, to safely and quickly remove stubborn soils including exhaust residue, oily soot , salts that promote corrosions and other oxidized organic fluids that accumulate on the exterior of aircraft . One of the most effective ways to control corrosion is to wash aircraft after each flight over open water, especially over salt water.	12x10x13 - 31 lbs.
Cyclone Clean Concentrated Aircraft Cleaner 6 gal. Case RTU	4065-CCAC6	\$ 85.80	\$ 81.51	a water based, 100% readily biodegradable aircraft and helicopter cleaner that removals soils from painted and unpainted surfaces . Diluted with water, this cleaner, can be applied by brush, foam generator, mop, spray or sponge, to safely and quickly remove stubborn soils including exhaust residue, oily soot , salts that promote corrosions and other oxidized organic fluids that accumulate on the exterior of aircraft . One of the most effective ways to control corrosion is to wash aircraft after each flight over open water, especially over salt water.	12x12x18 - 55 lbs.
Cyclone Clean Concentrated Aircraft Cleaner 5 gal. Pail	4015-CCAC5	\$ 75.85	\$ 72.06	a water based, 100% readily biodegradable aircraft and helicopter cleaner that removals soils from painted and unpainted surfaces . Diluted with water, this cleaner, can be applied by brush, foam generator, mop, spray or sponge, to safely and quickly remove stubborn soils including exhaust residue, oily soot , salts that promote corrosions and other oxidized organic fluids that accumulate on the exterior of aircraft . One of the most effective ways to control corrosion is to wash aircraft after each flight over open water, especially over salt water.	12x12x15 - 47 lbs.
Cyclone Clean Concentrated Aircraft Cleaner 55 gal. Drum	4015-CCAC55	\$ 708.95	\$ 673.50	a water based, 100% readily biodegradable aircraft and helicopter cleaner that removals soils from painted and unpainted surfaces . Diluted with water, this cleaner, can be applied by brush, foam generator, mop, spray or sponge, to safely and quickly remove stubborn soils including exhaust residue, oily soot , salts that promote corrosions and other oxidized organic fluids that accumulate on the exterior of aircraft . One of the most effective ways to control corrosion is to wash aircraft after each flight over open water, especially over salt water.	35x23 - 500 lbs.
Cyclone Clean Orgnic Growth Remover 5 gal. Pail	4025-CCOG5	\$ 85.50	\$ 81.23	eco-friendly cleaner that quickly and safely removes mold, mildew and algae from airfield surfaces and surrounding buildings. Aerogreen 4025 makes your airfields clean and safe again by improving the visibility of airfield markings. This water based, non-hazardous cleaner can be used with both cold and heated high-pressure washers to quickly and safely remove a variety of residues from airport terminals, tarmacs, hangars, parking lots and ground support equipment.	12x12x15 - 47 lbs.
Cyclone Clean Orgnic Growth Remover 55 gal. Drum	4025-CCOG55	\$ 885.50	\$ 841.23	eco-friendly cleaner that quickly and safely removes mold, mildew and algae from airfield surfaces and surrounding buildings. Aerogreen 4025 makes your airfields clean and safe again by improving the visibility of airfield markings. This water based, non-hazardous cleaner can be used with both cold and heated high-pressure washers to quickly and safely remove a variety of residues from airport terminals, tarmacs, hangars, parking lots and ground support equipment.	35x23 - 500 lbs.
Cyclone Clean Orgnic Growth Remover 330 gal. Tote	4025-CCOG-330	\$ 4,983.00	\$ 4,733.85	eco-friendly cleaner that quickly and safely removes mold, mildew and algae from airfield surfaces and surrounding buildings. Aerogreen 4025 makes your airfields clean and safe again by improving the visibility of airfield markings. This water based, non-hazardous cleaner can be used with both cold and heated high-pressure washers to quickly and safely remove a variety of residues from airport terminals, tarmacs, hangars, parking lots and ground support equipment.	48x48x54 - 2,950 lbs.
