| RC21D66 | Snyder Industries 2-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (teeth type), rotationally molded, includes (2) HDPE Plastic double wall lids, 1000 pound load rating, (10) standard colors, Series #780100E. HDPE plastic resin is a Class 2 recyclable plastic. | 1 | \$737.00 |
| RC21D67 | Snyder Industries 2-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (pin type), rotationally molded, includes 2 HDPE Plastic double wall lids, 1000 pound load rating, (10) standard colors, Series #780100E. HDPE Plastic resin is a Class 2 recyclable plastic. | 1 | \$771.00 |
| RC21D68 | Snyder Industries 3-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (teeth type), rotationally molded, includes 2 HDPE Plastic double wall lids, 1000 pound load rating, (10) color options, Series 7800000E. HDPE plastic resin is a Class 2 recyclable plastic. | 1 | \$857.00 |
| RC21D69 | Snyder Industries 3-Yard Side Load Dumpster. Commercial /Industrial use. HDPE body, steel lifting arms/hardware (pin type), rotationally molded, includes 2 HDPE Plastic double wall lids, 1000 pound load rating, (10) color options, Series 7800000E. HDPE plastic resin is a Class 2 recyclable plastic. | 1 | \$891.00 |
| RC21D70 | Snyder Industries 2-Yard Front Load Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$779.00 |
| RC21D71 | Snyder Industries 3-Yard Front Load Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$877.00 |
| RC21D72 | Snyder Industries 4-Yard Front Load Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$999.00 |
| RC21D73 | Snyder Industries 6-Yard Front Load Slant Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids, recycled content available | 1 | \$1,316.00 |
| RC21D74 | Snyder Industries 6-Yard Front Load Flat Top Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids, recycled content available | 1 | \$1,316.00 |
| RC21D75 | Snyder Industries 8-Yard Front Load Slant Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids, recycled content available | 1 | \$1,421.00 |
| RC21D76 | Snyder Industries 8-Yard Front Load Flat Top Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids, recycled content available | 1 | \$1,421.00 |
| RC21D77 | Snyder Industries 8 6-Yard Front Load Recycling Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and 6" X 57" cardboard slot, recycled content available | 1 | \$1,411.00 |
| RC21D78 | Snyder Industries 88-Yard Front Load Recycling Commercial Container: Plastic body, steel fork pockets, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and 6" X 57" cardboard slot, recycled content available | 1 | \$1,516.00 |
| RC21D79 | Snyder Industries 82-Yard Rear Load Commercial Container: Plastic body, steel trunnion bar and kickbar pads, cable hook, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$796.00 |
| RC21D80 | Snyder Industries 82-Yard Side Load Commercial Container: Plastic body, steel lift hooks (teeth), "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$796.00 |

| | | | |
|----------|---|---|----------|
| RC21D81 | Snyder Industries 83-Yard Side Load Commercial Container: Plastic body, steel lift hooks (teeth), "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, | 1 | \$971.00 |
| RC21D82 | Snyder Industries 83-Yard Rear Load Commercial Container: Plastic body, steel trunnion bar and kickbar pads, cable hook, "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$971.00 |
| RC21D83 | Snyder Industries 82-Yard Side Load Commercial Container: Plastic body, steel lift hooks (pin), "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, recycled content available | 1 | \$820.00 |
| RC21D84 | Snyder Industries 83-Yard Side Load Commercial Container: Plastic body, steel lift hooks (pin), "Hybrid" model, commercial/industrial container, rotationally molded, includes lids and casters, | 1 | \$999.00 |
| RC21D85 | Snyder Industries 2-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (teeth type), rotationally molded, includes (2) HDPE Plastic double wall lids, 1000 pound load rating, (10) standard colors, Series #780100E. HDPE plastic resin is a | 1 | \$737.00 |
| RC21D86 | Snyder Industries 2-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (pin type), rotationally molded, includes 2 HDPE Plastic double wall lids, 1000 pound load rating, (10) standard colors, Series # 780100E. HDPE Plastic resin is a Class 2 recyclable plastic. | 1 | \$771.00 |
| RC21D87 | Snyder Industries 3-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (teeth type), rotationally molded, includes 2 HDPE Plastic double wall lids, 1000 pound load rating, (10) color options, Series 7800000E. HDPE plastic resin is a Class 2 | 1 | \$857.00 |
| RC21D88 | Snyder Industries 3-Yard Side Load Dumpster. Commercial /Industrial use. HDPE body, steel lifting arms/hardware (pin type), rotationally molded, includes 2 HDPE Plastic double wall lids, | 1 | \$891.00 |
| RC21H132 | Snyder Industries 40 Gallon ECO-Tainer - 40 gallon capacity waste receptacle, lid has 4 openings for manual disposal, side load automated or manual unloading, double wall design, Rotational molded HDPE plastic resin, HDPE plastic resin is a class 2 recyclable resin. Base can be weighted up to 75 lbs, (10) standard colors. | 1 | \$485.00 |
| RC21H133 | Snyder Industries 70/30 Lid - fits on 200-300-450 Gallon Cans. Two piece lid. Rotationally molded HDPE plastic resin, commercial/industrial, (4) molded in hinge brackets, (4) plastic pins with clips, (8) lid mounting bolts, washers, and locking nuts, front lid is single wall design, bi-lingual instructions molded into plastic. (10) standard colors. | 1 | \$136.00 |
| RC21H134 | Snyder Industries 50/50 Lid - fits on 200-300-450 Gallon Cans. Three piece lid. Rotationally molded HDPE plastic resin, commercial/industrial, (4) molded in hinge brackets, (4) plastic pins with clips, (8) lid mounting bolts, washers, and locking nuts. Front lids are double wall design. (10) Standard colors. | 1 | \$179.00 |
| RC21H135 | Snyder Industries 2-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (teeth type), rotationally molded, includes (2) HDPE Plastic double wall lids, 1000 pound load rating, (10) standard colors, Series #780100E. HDPE plastic resin is a Class 2 recyclable plastic. | 1 | \$737.00 |
| RC21H136 | Snyder Industries 2-Yard Side Load Dumpster. Commercial/Industrial use. HDPE body, steel lifting arms/hardware (pin type), rotationally molded, includes 2 HDPE Plastic double wall lids, 1000 pound load rating, (10) standard colors, Series # 780100E. HDPE Plastic resin is a Class 2 recyclable plastic. | 1 | \$771.00 |
