1,350 gal (5,110 liters)

## OVERVIEW

The Stripe Hog™ SK2000 Trailer is an auxiliary engine-driven, trailer-mounted water blasting and recovery system designed for parking garages and roadway marking removal such as paint, thermoplastic, curing compound and paint rejuvenation. The SK2000 Trailer can be hitched via a conventional method or through a gooseneck method.

The SK2000 Trailer comes with the HT1000 Ground Hog walk-behind tool.

### Coventional

- Tighter turning radius
- More maneuverable
- Tongue Weight: 4,000 lbs
- Gross Trailer Weight: 13,000 lbs
- Call for chassis consultation

### Gooseneck

- Reduces tongue weight
