TOWMASTER WARRANTY SUMMARY

(FULL AND CURRENT TEXT AVAILABLE AT TOWMASTER.COM)

This warranty effective on trailers manufactured after 01/01/2009.

Monroe Towmaster, LLC. (herein referred to as Towmaster) offers this extensive warranty to the original purchaser of our trailers. Warranty starts from the date of sale as long we receive the filled-out warranty card. If we do not receive the warranty card, warranty starts from the ship date of the unit.

LIMITED LIFETIME FRAME WARRANTY

On our premium trailers (T, TC series) Towmaster warranties the trailer main frame (frame, crossmembers, gussets, beavertail, and tongue or gooseneck) for the lifetime of the trailer to the original licensed owner to be free from defects in material and workmanship. This LIFETIME WARRANTY does not cover the hitch (ball, pintle, and gooseneck fifth wheel), tires, wheels, axles, suspension, hoists, ramps, lights, wiring, paint, wood, d-rings or any other features or options outside the scope of the trailer main frame weldment. Limited Lifetime is determined by the following criteria: The life expectancy of the trailer which is determined to be 10-YEARS on tag trailers 50,000 lb. capacity and lower, or 5-YEARS on king-pin trailers 50,000 lb. capacity and up, or 5-YEARS on dump trailers, to the original owner and is non-transferrable, limited to the first accident or overloading. This warranty also does not cover:

1. Products which have been operated in excess of rated capacities
2. Misuse, abuse or accidents
3. Vehicles which have been altered, modified or repaired in any manner not authorized by our company

FIVE-YEAR LIMITED FRAME WARRANTY

Some economy models (TE series) carry a 5-YEAR Limited Frame Warranty with the same exclusions as stated above. Some economy models (TE series) carry our standard 1-YEAR Warranty stated below.

AXLE / SUSPENSION WARRANTY

Each Dexter Torflex Axle carries a limited 10-YEAR WARRANTY on the suspension to be free from defect in material and workmanship. Warranty is limited to Dexter warranty policy. Other types or brands of suspensions may carry either a 5-YEAR or a 2-YEAR warranty by its manufacturer.

PAINT WARRANTY

Towmaster warrants its paint and process against peeling or delamination of topcoat and/or other layers of paint, cracking due to failure of the product, and excessive hazing for a period of 3-YEARS from the date of manufacture. This warranty is limited to original paint from the factory and excludes paint that has been chipped, scuffed, scratched, or otherwise damaged in normal use, inclement weather, improper care, or paint on trailers that have been abused or in an accident. Towmaster's liability is limited to the repair of the affected area and covers labor and materials only, at an authorized repair service.

FULL ONE-YEAR WARRANTY

Towmaster warranties each new product manufactured by us to be free from defects in material and workmanship for a period of one year from date of delivery to the original purchaser except as noted below.

This one-year warranty covers the entire trailer against material and workmanship except as noted:

1. New products which have been operated in excess of rated capacities
2. Misuse, abuse or accidents
3. Items that have been pinched (air or hydraulic hose)
4. Vehicles which have been altered, modified or repaired in any manner not authorized by our company
5. Second-hand or used vehicles
6. Wear items such as tires, battery, suspension, bearings, parking jacks
7. Products that have not been properly maintained (by the dealer or consumer)

In no way shall the manufacturer be held liable for consequential damages such as rentals of substitute vehicles, loss of profits, downtime, or other commercial losses. This warranty does not cover shipment of trailer or parts to dealer or manufacturer, or return shipment of trailer or parts to dealer or consumer from factory.

TIRE / BATTERY WARRANTY

New vehicle tires are warranted by their respective manufacturers and are prorated. Battery is warranted by Towmaster and is prorated.

TOWMASTER'S OBLIGATION

Our obligation under this warranty is to repair or replace, at no cost to the end user, any warrantable part proven defective within the time limit of this warranty at our factory or at an Authorized Towmaster Dealer. Towmaster will handle disposition of warranties on all other purchased components such as axles, suspensions, wheels, batteries, parking jacks and other purchased parts in conjunction with their respective manufacturers, and under the terms of their respective warranty policies.

We must receive immediate notification of a defect and no allowance will be made for repairs without our prior consent or approval. Manufacturer does not pre-authorize any dealership for warranty work. The dealer must call our warranty service department to receive an authorization number. If the work performed is not preauthorized with a claim number, it may be deemed void. Defective parts must be returned within twenty days of receipt of replacement parts or credit may not be given for the replacement parts and an invoice may be issued.

This warranty is in lieu of all other warranties, expressed or implied by law or otherwise, and there is no warranty of merchantability or fitness of purpose. Federal regulations require motor vehicle manufacturers to maintain a record of original owners of their equipment. Our warranty registration fulfills this requirement. Please make every effort to complete the warranty card document and send it in. This warranty written under the laws of Minnesota, USA and some provisions in this warranty may be adjusted according to your local state, province or country's laws. Complete warranty details and changes can be read on our web site, www.towmaster.com.

CUSTOMER REGISTRATION REQUIRED

Federal regulations require motor vehicle manufacturers to maintain a record of original owners of their equipment. Our warranty registration fulfills this requirement. Please make every effort to complete this document and send it in.

Manufacturer reserves the right to modify, without notice, specific designs and specifications as deemed advisable on the trailers described herein without obligation in regards to trailers previously manufactured. The manufacturer also reserves the right to discontinue models without obligation in regards to trailers previously sold. Written warranty covers each trailer. No other warranty expressed or implied is made.

GAWR, GVWR, and Payload Ratings

Towmaster determines the GAWR and GVWR ratings of its trailers using the following determinations:

GAWR

GAWR is determined by using the weakest link between the axle capacity rating and the combined wheel and tire rating.

GVWR

GVWR is determined by taking a fleet average weight, plus payload capacity rating (as determined by the manufacturer).

Payload Capacity

Payload is determined by one of the following calculations:

If your state recognizes weight transfer to the tow vehicle transfer, then calculate payload with this formula:

$$\text{GVWR} - \text{Trailer Weight} = \text{Payload Capacity}$$

If your state ONLY recognizes GAWR or trailer capacity rating and does NOT recognize weight transfer to the tow vehicle to transfer load, then calculate using this formula:

$$\text{GAWR OR Trailer capacity} - \text{Trailer Weight} = \text{Payload Capacity}$$

Trailer weight can fluctuate depending upon dryness of the wood deck, options installed and deck length. The best way to get the actual weight of the trailer is to scale it. Our published weights and capacities are for reference only.

Tire/Wheel Load Ratings

Tire Size	Load Range	Tire Ply	Tire/Wheel Capacity	PSI	MPH	(S)ingle (D)ual	Bolt Pattern	Approx. Tire Dia. (in.)
ST225/75Rx15	D	8	2540	65	65	S	6 on 5.5 in ø	28.3

Gooseneck Swing Clearance

(A-Frame / Rigid Gooseneck / Hydraulic Tail)

These are the standard swing clearance dimensions on our goosenecks. Please specify swing clearance and truck height when ordering if you require a different clearance dimension.

Detachable Gooseneck Swing Clearance

Use the chart below to determine the proper gooseneck length to fit your tractor. Detachable gooseneck trailers come in a variety of gooseneck length options. These dimensions will help determine the swing clearance needed. If you have any questions, please call the factory for clarification.

DIMENSION	DESCRIPTION
A=	Wheel Base
B=	Drive Axle Spacing
C=	Center of Forward Drive Axle, minus (-) 5 inches to outer edge of rear tire or mud flap

DIMENSION	DESCRIPTION
A=	Wheel Base
B=	Drive Axle Spacing
C=	Center of Forward Drive Axle, plus (+) 8 inches to outer edge of rear tire or mud flap
D=	Other Axle Spacing
	Number of Axles
Y N	Lift Axle

A-Frame Gooseneck Swing Clearance

These are the standard swing clearance dimensions on our goosenecks. Please specify swing clearance and truck height when ordering if you require a different clearance dimension.

Gooseneck Swing Clearance

Use the reference below to determine the proper gooseneck fit. These measurements will help determine the swing clearance. If you have any questions, please call the factory for clarification.

DIMENSION	DESCRIPTION
A=	Hitch Center to Box Corner
B=	Ground to Top of Box
C=	Ground to Top of Hitch Ball

Hydraulic Dump/

Model:

TC-10HD

All dimensions are nominal. Illustration may be shown with optional equipment.

STANDARD FEATURES

HITCH / TONGUE

- Adj. height, bolt-on coupler
- 2-5/16" ball coupler
- RV plug
- Steel box w/hyd. pump
- Corded remote for hyd. Pump 25ft
- 8K bolt-on top-wind drop-leg jack
- Battery break-away kit w/tow charger & test light
- Safety chains w/hooks

FRAME / DECK

- 82" box I.D., 11 ga. steel floor, 11 ga. sides, 24" tall sides
- 28.5" deck height (unloaded)
- 3"x5" tube main frame
- Stake pockets (4 per side)
- One-piece formed fender
- Scissor hoist, power-up, gravity-down

RAMPS / TAIL

- Double rear doors
- 6' ramps with storage

AXLES / SUSPENSION

- Spring suspension
- (2) 7,000 lb. axles (4 wheels)
- Tires - 235/80R16 load range E, 10-ply
- 16" wheels, 8-bolt
- Electric brakes
- Forward self-adjusting brakes
- Geaseable

LIGHTS / WIRING

- Rubber grommet mounted LED lights

STANDARD FEATURES

- Limited 5 Year Warranty*
- 2 Year Suspension Warranty*
- Two-component polyurethane primer and paint
- Trailer color: Equipment Black
