### Loaner Program Details

- Applies to a Single Laptop System or Tablet System
- Loaner System will be shipped out same day to customer if all documentation is received by 12pm Central Time
- Shipping Paid for by Master Meter
- Loaner Systems must be returned within 14 days of receiving the original system back from Master Meter or an additional fee equal to 10 percent of the then current list price of the loaned item will be invoiced to the Customer
- Does NOT include the repair costs or hardware replacement costs of the failed system for items out of warranty, that will be invoiced separately to the Customer
- Customer must be current on any Software, Support, or Hosting fee's to take advantage of this program

**Note:** All Annual Phone Support Agreements and all fees associated with these agreements must be kept current and paid on or prior to the renewal date in order to receive software upgrades and phone support. If the utility has not paid or has stopped paying their Annual Phone Support fees, service will be provided at a rate of \$150 per hour with a minimum of two hours (\$300) charged for the initial call. PO or credit card payment required prior to service. No software upgrades will be provided unless Annual Support has been renewed.
