

TO: H-GAC Board of Directors
SUBJECT: Board Report
FROM: Chuck Wemple
DATE: February 12, 2019

I'm looking forward to seeing you at our Board of Directors Meeting next week. The meeting agenda and Board packet are attached for your study and consideration. A summary of the Board packet is included below.

Consent Agenda—The consent agenda includes seven items that are routine, continuation of ongoing activities, and/or opportunities to expand our service to the region. The combined items represent nearly \$1.5 million in contracts.

Our Data Services Department has two contracts, one to acquire an update to our regional employment, business, and household database; and another to replace agency computers that will become obsolete over then next year.

HGACBuy has completed a procurement for law enforcement equipment. This action will add eleven vendors and over fifty-nine products to our cooperative purchasing program. Examples include speed detection and video equipment.

Our Transportation Department is requesting approval to enter into contracts with three private companies and one local government to replace of eleven heavy duty diesel trucks with new cleaner technology.

Our Community & Environmental Planning Department is seeking approval to contract with a consulting company to begin our latest Livable Centers planning project (located in north Houston). This is a continuation of a popular and success program. We have completed twenty-eight Livable Centers projects over the past several years.

The consent agenda also includes approval of the January 2019 Board Meeting minutes and our agency investment officer's report.

Finance and Budget Committee—will meet at **9:20 a.m.** in **conference room D** to consider the monthly financial report and finance-related items on the Board agenda.

Community and Environmental Planning—We are requesting to amend the construction services contract for our Ike multifamily repair project in Conroe,

Texas. The \$600,000 amendment is needed to cover the cost of unanticipated repairs associated with the installation of underground utilities to each of the thirty-seven buildings, mitigation of termite damage discovered during the repair work, and other activities. The amendment represents a <4% increase from the original amount.

Human Services—We are requesting authorization to contract with existing workforce providers to integrate vocational rehabilitation staff into our workforce offices, increase the number of local workforce offices, expand our apprenticeships program, and assist our early education providers in the repair of facilities damaged by Hurricane Harvey.

Plans and Projects Review Committee—will meet at **9:40 a.m.** in **conference room B** to discuss five Economic Development Administration grant applications that are advancing to the next stage of federal approval. H-GAC staff will provide a summary of how the projects are aligned with regional plans and policies to strengthen our economy.

Board Member Resolution—We will have a resolution honoring the service to H-GAC and our region of Galveston County Commissioner Ken Clark.

Legislative Committee—will meet at **8:30 a.m.** in **conference room E**. With the 86th Legislative Session now in session, the H-GAC Legislative Committee will convene to discuss possible legislative objectives for Board consideration, upcoming dates of interest, bill filings, and legislation of importance to intergovernmental cooperation and H-GAC programs.

Committee Appointments—We have appointments to four Advisory Committees for your consideration next week.

Board Training—We will begin a new series of Board training sessions on critical policies that occasionally intersect Board activities. These brief sessions will be presented on an as needed basis. Our first session will focus on our internal ethics policy.

I appreciate your engagement and deliberation on the important action items before us. Please contact me if you have any questions or would like to discuss any of the agenda items.

CALL TO ORDER

Board Chair, City of Missouri City Council Member Floyd Emery called the meeting of the Board of Directors to order at 10:00 a.m. on Tuesday, January 15, 2019 in Conference Room B at 3555 Timmons Lane in Houston and presided throughout. Chair Emery stated that a quorum was present.

1. INVOCATION

At the request of Chair Emery, City of Waller Council Member Nancy Arnold presented the invocation.

2. PLEDGES OF ALLEGIANCE

At the request of Chair Emery, City of Meadows Place Alderman Terry Henley led Board members in reciting the Pledges of Allegiance to the flags of the United States and the State of Texas.

3. PUBLIC COMMENT

Chair Emery recognized City of Bunker Hill Village Susan Schwartz, City of League City Councilman Larry Millican; Jason Fuller Office of Senator Ted Cruz, Mathew Connor, Office of Senator John Cornyn, and Melissa Washington, General Land Office who were in attendance in the audience.

Chair Emery explained that it was the custom at that time in the meeting to welcome any comments by the Public.

There were no public comments.

4. CONSENT AGENDA

Chair Emery called for the Consent Agenda. He asked if any member of the Board wished to remove an item from the Consent Agenda for special consideration; City of Sugar Land Mayor Joe Zimmerman moved approval of the Consent Agenda as presented. City of Bellaire Council Member Trisha Pollard seconded the motion. Chair Emery called for any discussion or comments; hearing none, Chair Emery then called for a vote which resulted in unanimous approval by all members present.

The following items were acted on by approval of the Consent Agenda.

- a. **H-GAC Board of Directors Minutes December 18, 2018**—approved minutes of the December 18, 2018 Board Meeting.

f. **Investment Policy**—approved H-GAC’s Investment Policy.

5. FINANCE AND BUDGET COMMITTEE

a. Monthly Financial Report

Chair Emery recognized Council Member Arnold, Chair of the H-GAC Finance and Budget Committee to present the report. Council Member Arnold reported that the Committee met with a quorum and considered several items. Council Member Arnold then called on H-GAC Assistant Director Jean Mahood to present the report. Mrs. Mahood reported on the financial status report ending December 2018. She noted in the report under variances, that other income included a variety of revenue including Local Development Corporation and GIS related services, both of which were slower in realizing their revenue than originally estimated. Mrs. Mahood also reported that personnel expenses were down due to several vacancies that were budgeted but not filled. She also noted that travel expenses had been reduced due to improved technology for meetings. H-GAC Executive Director Chuck Wemple noted that finances looked to be on target and would come in close to projection. Mrs. Mahood then recommended the report for approval. Council Member Arnold moved approval of the report as presented. City of Friendswood Councilmember Sally Branson seconded the motion. Council Member Arnold called for any discussion or comments; hearing none, she then called for a vote which resulted in unanimous approval by all members present.

6. COMMUNITY AND ENVIRONMENTAL PLANNING

a. Parks and Natural Areas Honor Awards Resolution

Chair Emery recognized H-GAC Community and Environmental Planning Director Jeff Taebel to present the report. Mr. Taebel stated that he was requesting adoption of a resolution recognizing January as Parks and Natural Areas Month in support of the Parks and Natural Areas Award Program. Mr. Taebel stated the awards program was established in 2006 and noted that over 180 outstanding projects throughout the region have been recognized. Mr. Taebel reported that in 2018, eleven applications were received, and winners were selected by a panel of six judges. The awarded projects were listed in the packet that was provided. He also noted that there was outstanding geographic diversity as well as a diversity of the types of projects submitted. Mr. Taebel reported that a ceremony recognizing the winners would be held on February 8 at 9:00 a.m. at H-GAC. Mr. Taebel then requested adoption of the resolution. Mayor Zimmerman moved approval, Waller County Judge Trey Duhon seconded the motion. Chair Emery called for any discussion or comments; hearing none, he then called for a vote which resulted in unanimous approval by all members present.

b. Hurricane Ike Rental Housing Construction Management

Mr. Taebel stated that Hurricane Ike recovery was finally near close out. Mr. Taebel then stated the item before them was a request to increase the Freeport Apartment project budget to cover additional construction expenses, in an amount not to exceed \$320,000. Mr. Taebel stated that the request was due to unforeseen construction issues including city and/or county improvement requirements for multifamily housing rehabilitation and additional funds for change orders. Mr. Taebel noted that the funding came from Round 2 Phase 2 Federal Housing Recovery Funds, post Hurricane Ike. Mr. Taebel also noted that there were sufficient funds within that budget

to accommodate the change order request. Mr. Taebel also noted a substantial amount of the Hurricane Ike funds had been allocated although funds were available for the Freeport Apartment project and one additional project in Conroe that was anticipated to be completed in April 2019. Mayor Zimmerman moved approval, Council Member Pollard seconded the motion. Chair Emery called for any discussion or comments; hearing none, he then called for a vote which resulted in unanimous approval by all members present.

7. HUMAN SERVICES

a. Workforce Contract Renewals

Chair Emery recognized H-GAC Human Services Director Mike Temple to present the report. Mr. Temple reported that Workforce Board solicited proposals for public information and communications services for the regional workforce system and recommended contracts with Savage Brands and Outreach Strategists. He noted that both are in the third-year of a four-year contract cycle. Mr. Temple stated that the contractors continue to focus on strategic counsel, community outreach, media relations, and graphic and digital/web design for the workforce system. Mr. Temple requested a motion to approve the Workforce contract renewals as presented. Council Member King moved approval. Council Member Pollard seconded the motion. Chair Emery called for any discussion or comments; hearing none, he then called for a vote which resulted in unanimous approval by all members present.

8. TRANSPORTATION PLANNING

a. Regional Safety Campaign

Chair Emery recognized H-GAC Transportation Services Director Alan Clark to present the report. Mr. Clark requested approval to contract with firms in ranked order to conduct the Regional Safety Campaign in an amount not to exceed \$1,357,160. Mr. Clark reported that in the last five years, the eight-county region had seen a forty percent increase in vehicle crashes and a twenty percent increase in fatalities. He noted that in 2016 alone, there were over 170,000 serious or severe crashes in which 715 persons involved in the crashes were fatalities. Mr. Clark reported a slight reduction of vehicle crashes in 2017, but noted in that year, that total costs of those crashes, including law enforcement, emergency management services, medical community, property damage, and the damage to the lives involved in the crashes was almost \$6.5 billion. Mr. Clark reported that the Regional Safety Campaign would conduct public outreach for transportation safety in the region, including the development and delivery of education and information to the public about traffic safety issues, focus on areas such as bicycling, pedestrian, distracted driving, driving while intoxicated, speeding, child seat safety, and seat belt safety. Mr. Clark also noted that the goal of the outreach campaign was to reduce the total number of crashes, fatalities, and serious injuries on the roads. Waller County Judge Trey Duhon requested that the campaign include education that the left lane is to be used for passing only. Mr. Clark also reported that Transportation Development Credits would be used to fund part of the program. Mr. Clark requested approval of the Regional Safety Campaign as presented. Council Member Arnold moved approval. Mayor Zimmerman seconded the motion. Chair Emery called for any discussion or comments; hearing none, he then called for a vote which resulted in unanimous approval by all members present.

9. H-GAC ADVISORY COMMITTEE APPOINTMENTS

a. H-GAC Advisory Committee Appointments

Chair Emery recognized Mr. Wemple to present the report. Mr. Wemple reported that there was one advisory committee appointment to the Regional Homeland Security Coordinating Council nominated by Galveston County Judge Mark Henry and an additional appointment also to the Regional Homeland Security Coordinating Council made by Fort Bend County Judge KP George that arrived after the board packet was mailed out. Mr. Wemple then requested approval of the advisory committee appointments as presented including the verbal nomination. Mayor Zimmerman moved approval. Judge Duhon seconded the motion. Chair Emery called for any discussion or comments; hearing none, he then called for a vote which resulted in unanimous approval by all members present.

10. INFORMATION

a. H-GAC Spotlight – Regional Senior Services

Chair Emery recognized H-GAC Lead Benefits Counseling Coordinator Mallory Freitag to present the report. Ms. Freitag stated that the Houston-Galveston Area Agency on Aging provides many programs to help senior citizens that live in the twelve-county area surrounding Harris County. Ms. Freitag stated that she and staff from the Area Agency on Aging attend health fairs, seminars, enrollment events, and provide presentations and consultation to those needing assistance. Ms. Freitag stated that her and her staff provide unbiased information to help senior citizens make informed decisions about health care needs. Ms. Freitag reported that the Houston-Galveston Area Agency on Aging provided over 1850 consultations in 2018 and reached an estimated 8000 people through events and consultations. Ms. Freitag stated that staff schedules Benefit Counseling Days to assist citizens in the area they live in, she also stated that they are always looking for community partners to provide locations to hold the events.

b. Executive Director's Report

Mr. Wemple reported that the H-GAC Legislative Committee met prior to the Board of Directors meeting. He noted that the committee was getting ready for the upcoming legislature and would update the Board beginning in February.

Mr. Wemple reported that H-GAC Human Services Manager Curtis Cooper was named President of the statewide association, Texas Area Agency on Aging. Mr. Wemple reported that H-GAC would be hosting the Aging in Texas Conference in June 2019.

Mr. Wemple reported that the first annual HGACBuy Conference would be held in October 2019 at NRG headed by H-GAC Public Services Director Ronnie Barnes and his staff. Mr. Wemple also noted that the event would include national speakers and that H-GAC programs would be spotlighted.

Mr. Wemple reported that the H-GAC Annual Meeting would be held on January 18 at the Briar Club, just down the street from the H-GAC offices. Mr. Wemple reported that U.S. Representative Randy Weber would be the speaker and the meeting would include the installation of the 2019 H-GAC Officers.

Mr. Wemple reported that beginning in February H-GAC would provide training on a variety of topics such as: understanding the H-GAC Budget, Compliance Issues, Conflict of Interest, Fraud Waste and Abuse.

Mr. Wemple then thanked the 2018 Officers for their leadership to the H-GAC Board. Council Member Arnold, Council Member Emery, and Commissioner Adams also gave their special thanks to the Board and H-GAC staff.

11. ADJOURNMENT

Chair Emery noted that there being no further business to be considered by the Board, the meeting was adjourned at 10:47 a.m.

RENEWAL OF INFOGROUP DATA

Background

H-GAC and members of Geographic Data Workgroup rely on business, and residential data for various mapping activities. H-GAC and workgroup members consider Infogroup's data as the most reliable resource, in terms of location accuracy of business and address classifications.

Current Situation

On behalf of contributing members of the regional Geographic Data Workgroup, H-GAC has negotiated to renew the license agreement of Infogroup's 2019 Business and Residential database. The data covers the thirteen counties of the H-GAC planning region. The renewed license agreement would allow H-GAC and contributing members to obtain the Infogroup 2019 Business and Residential database, as well as continue to use past year's licensed databases. Cost of the renewal would be \$51,450, borne collectively through elective cost-sharing contributions which have already been received from our partners.

H-GAC STAFF COMPUTERS UPDATE

Background

Houston-Galveston Area Council utilizes Dell desktop computers, laptops, monitors and peripherals as their primary workstations to perform their assigned tasks and duties. H-GAC utilizes about 350 workstations, of which approximately 170 are using Microsoft Windows 7 operating system. Microsoft has declared Windows 7 as an end-of-life product starting Jan 14th, 2020. After this date, Microsoft will no longer provide security updates and patches for Windows 7. This effectively makes the workstation obsolete and susceptible to any security threats and flaws that may be discovered and exploited in the future. In addition, these workstations will be outside of the hardware warranty period, and thus any hardware failure(s) will result in potential extended downtime for the staff member.

Current Situation

H-GAC will refresh 170 Windows 7 workstations with equivalently configured Windows 10 workstations that is appropriate for the staff member's specific duties. This will ensure that all workstations will have a fully supported operating system and up-to-date hardware to maintain a high level of productivity and information security.

Action Requested

Request approval to purchase 170 Dell workstations and accompanying peripherals from State or Federal contracts for a total contract amount not to exceed \$200,000. (Staff Contact: Tanya Nguyen)

LAW ENFORCEMENT EQUIPMENT

Background

H-GAC received and opened eleven competitive bids for Law Enforcement Equipment on December 13, 2018. The following companies submitted bids:

Applied Concepts, Inc.	Richardson, TX
Coban Technologies, Inc.	Houston, TX
Kustom Signals, Inc.	Lenexa, KS
L3 Mobile-Vision, Inc.	Rockaway, NJ
Laser Technology, Inc.	Centennial, CO

Monitor Systems	Dallas, TX
MPH Industries, Inc.	Owensboro, KY
Safety Vision, LLC	Houston, TX
SecureWatch24, LLC	New York, NY
WatchGuard, Inc.	Allen, TX

Current Situation

All bid responses have been evaluated by H-GAC staff. Eleven bids are being recommended for award. Request authorization of contracts with the lowest responsible bidders for product items as summarized in the Award Recommendation Table and, as may be applicable, to extend contract assignments to other authorized entities during the contract period. If an awarded bidder fails to execute a contract within forty-five days, fails to maintain required licenses, or is determined to be ineligible, authorization is requested to contract with the next lowest responsible bidder.

HEAVY DUTY DIESEL REPLACEMENT ASSISTANCE - AGREEMENTS

Background

The Heavy Duty Diesel Replacement Assistance Program is designed to offset the added cost of replacing or retrofitting older, high-emission, diesel and gasoline engines with cleaner, low emission engines. The primary goal of the program is to reduce nitrogen oxides (NOx), a critical component in the formation of ground-level ozone.

Award amounts are based on the projected emissions that could be reduced by the project, factoring in usage patterns, engine specifications, and the fuel/technology types.

Current Situation

Staff recommendations shown in the attached table are based on each project's maximum potential emissions reduction. Actual awards are subject to available state and federal funding and will be revised to reflect the specific replacement engine's emissions characteristics when the actual replacement engines have been identified by the contractors.

H-GAC received four proposals that meet emission and cost-effectiveness criteria. H-GAC staff recommends contracting with these entities to replace eleven vehicles for a total amount not to exceed \$1,129,645 as shown in the attached table.

NORTH HOUSTON/GREENSPPOINT LIVABLE CENTERS CONSULTANT SELECTION

Background

Establishing “Livable Centers” is one of the implementation strategies of H-GAC’s 2040 Regional Transportation Plan. The aim of this strategy is to create more walkable, mixed-use places that reduce reliance on single-occupancy vehicles. Duration of a study is approximately nine months, and a total of twenty-eight have been completed in our region.

Current Situation

The next Livable Centers study ready to begin is for the North Houston Management District. The overall goal of the study is to create a Livable Centers plan that will lead to a healthy, sustainable, context sensitive, multi-modal environment and address the needs of residents, property owners, business owners and visitors for shopping, dining, recreation, entertainment, learning, wellness and more. A committee of representatives from H-GAC, North Houston Management District, City of Houston and TxDOT evaluated four proposals submitted by firms on December 17, 2018. Based on the committee’s scoring and evaluation of the proposals and interviews, the recommendation and ranking are shown below:

Variance Analysis

The presentation of the change in fund balance by fund type is intended to highlight the effects of revenue and expenditure transactions by fund. The General Fund (GF) consists of those funds not associated with grant programs or enterprise activities. The Special Revenue Fund (SRF) consists of those funds that are restricted for a specific purpose. HGAC's grant programs are in this fund. The Enterprise Fund is used to track activities of the Cooperative Purchasing program and the Energy Purchasing Corporation. The variances of specific revenues and expenditures are explained on the second page of this report.

*** The Cooperative Purchasing program has contributed an \$ 210,741 increase toward the Enterprise fund balance YTD, and the Energy Purchasing Corporation is reflecting a \$ 4,013 increase to the Enterprise fund balance.

Variances:

General Note: These numbers are very preliminary for the year. Most of the activity, financially, was applicable to FY2018 which we are currently closing.

The above figures reflect large variances from our budget for that reason. These variances will begin to diminish as we get subrecipient and consultant billings in for 2019

a) Relatively, Cooperative Purchasing had a good month for January. Typically Coop has a large amount of business in December and January tends to be a slower month. That has not been the case for 2019, which is a good sign for this program this early in the year.

b) Like last year other income is not meeting projections largely due to the Local Development Corporation delays in closing loans.

c) State grants have not met projected revenue by \$9.2M. As mentioned above, most of the billings we received in January were regarding business in December.

d) Personnel costs appear high but should even out as the year progresses. This was primarily a timing issue with year-end and month-end closings.

e) Travel is below expected cost for January but is expected to catch up quickly since the new legislature is in session.

f) Other expenditures are typically slow in January...again because of year end billings received in January that relate to December.

HURRICANE IKE RENTAL HOUSING CONSTRUCTION MANAGEMENT

Background

The H-GAC Hurricane Ike Disaster Recovery Rental Housing Program repairs or replaces multifamily, Ike-impacted rental properties. The program is funded with HUD Community Development Block Grant Discovery Recovery funds via the Texas General Land Office. Approximately \$28.7 million in funding was provided for multifamily properties and can only be spent on those projects. Property owners do not receive cash assistance from this program. H-GAC provides repair and reconstruction services to eligible properties using an H-GAC Board-approved construction management company, Tegrity Homes.

Current Situation

H-GAC multifamily rental projects are quickly approaching completion. H-GAC has successfully completed the single-family rental program. Due to unforeseen construction issues including city and/or county improvement requirements for multifamily housing rehabilitation, additional funds for change orders become necessary. The 312-unit Bellshire Apartments in Conroe, Texas rehabilitation project requires additional funds in the amount of \$600,000 for several necessary changes and required improvements to provide decent, safe, and sanitary dwelling units for tenants. Non-inclusive items are the installation of new underground electrical power supply lines to each of the 37 buildings, additional wall framing and subfloor repairs needed after discovery of termite damage at several buildings. This amount represents less than a 4% increase above the contracted budget of \$16,520,400.

Action Requested

Request authorization to increase the Bellshire Apartments project budget to cover additional construction expenses only; amount not to exceed \$600,000. (Staff Contact: Jeff Taebel)

WORKFORCE CONTRACT AMENDMENTS

Background

The Texas Workforce Commission, our primary funder for the region's public workforce system Workforce Solutions, frequently provides additional resources for us to to expand our service to employers and people. We direct these additional dollars through the Workforce Board and H-GAC Board approved contractors that operate Workforce Solutions for us.

Current Situation

We recommend adding funds to several Workforce Solutions contractors for the following activities:

- Local office expansion. Additional funds will help integrate additional vocational rehabilitation services staff in existing Workforce Solutions locations and increase the number of local offices from 24 to 27. Total recommended is \$2,700,000.
- Employer Service. Added funds will power a project to educate and skill workers in the telecommunications industry, expand our apprenticeship efforts, and ensure sufficient staffing for the system's outplacement service for layoffs or business closures. Total recommended is \$205,000.
- Early Education & Care. TWC is providing funds to help 123 early education/child care providers replace equipment and materials that were destroyed during Hurricane Harvey. Total recommended is \$800,000.

The chart attached shows proposed contract amendments for the contractors delivering these services.

ECONOMIC DEVELOPMENT ADMINISTRATION HARVEY RECOVERY GRANTS

Background

The Economic Development Administration's Austin Region office, covering five states, is awarding approximately \$129 million in funding for economic development organizations, universities, non-profits, and local governments for economic infrastructure programs and projects to assist in long-term economic recovery from Hurricane Harvey.

Current Situation

The EDA has provided preliminary approval for five competitive grants in our region in December of 2018. These include the following:

\$5,114,836 to Houston Community College for a Talent Pipeline Demonstration Model to provide scalable training in advanced manufacturing, construction, trades and logistics. This project is requesting equipment for vocational training at Houston Community College.

\$3,714,379 to The Common Market for a locally-grown produce distribution center with emergency response capabilities. This project will be in the City of Houston.

\$1,976,654 to the City of Anahuac, in Chambers County, for the reconstruction of their waste-water treatment plant.

\$1,336,650 to East Montgomery County Improvement District for the rehabilitation of a warehouse space in an industrial park in the New Caney area.

\$6,154,083 to SERJobs for the acquisition of a property to develop a occupational skills training center in the City of Houston.

LEGISLATIVE PRINCIPLES - 86TH SESSION OF THE TEXAS LEGISLATURE

Background

The H-GAC Legislative Committee consists of 12 members representing cities, counties, and school districts from throughout the region. The Legislative Committee, Chaired by Alderman Terry Henley of the City of Meadows Place, studies state and federal legislation that may have an impact on the region and reports to the Board of Directors.

Current Situation

The 86th Regular Session of the Texas Legislature is underway. The deadline for the unrestricted filing of bills is on March 8, 2019. This excludes local bills, emergency appropriations, and bills that have been declared an emergency by the governor. Each legislative session, the H-GAC Legislative Committee develops principles or priorities for the session that outlines the types of legislation that H-GAC should support, monitor and oppose.
