Current Situation

This contract is an existing contract in our portfolio, consisting of various types of equipment related to our members' refuse management needs. All proposal responses have been evaluated by H-GAC staff. Thirteen (13) proposals are being recommended for award. The response from Swaploader USA was non-responsive and the response from Pak-Mor Industrial did not meet the scoring threshold for award. Request authorization for contracts with each respondent listed in the Contract Award Recommendation Table, and as may be applicable, to extend contract assignments to other authorized entities during the contract period.

Funding Source: Participating local government purchasers.

Budgeted: N/A

Action Requested: Request authorization for contracts with the respondents listed in the Contract Award Recommendation Table for Refuse Handling Equipment RH04-25.
