

Nvidia CEO heralds next phase of AI boom

By Michael Liedtke
ASSOCIATED PRESS

Nvidia CEO Jensen Huang on Monday elaborated on his vision for keeping his company at the forefront of the artificial intelligence boom that he predicted will produce a \$1 trillion backlog in orders within the next year.

Sporting his signature black leather jacket, Huang spent more than two hours sauntering across a stage in a packed arena in San Jose, Calif., explaining how Nvidia's processors became indispensable AI components and highlighting the products that he believes will keep the company in the catbird seat.

Huang, 63, also touched on many of the themes that he has been trumpeting since he emerged as one of Silicon Valley's most influential voices during the past few years, including his thesis that the AI build-up remains in its infancy.

"We reinvented computing, just like the PC (personal computer) revolution and the internet revolution," Huang proclaimed. "We are now at the beginning of a new platform change."

To hammer home his points, Huang predicted that Nvidia will be grappling with a \$1 trillion backlog in orders for its chips by the end of the year, doubling his estimate from a

year ago.

Nvidia has leveraged its dominant position in the AI chip market so far to increase its annual revenue from \$27 billion in 2022 to \$216 billion last year — a growth rate that has translated into a \$4.5 trillion market value for the Santa Clara, Calif., company.

But Nvidia's once-torrid stock has cooled since the company briefly became the first to surpass a \$5 trillion market value last October amid worries that the AI buzz is overblown.

"This is just a white-knuckle period for the technology industry," said Wedbush Securities analyst Dan Ives.

Even after Nvidia re-

leased a quarterly report in late February that far exceeded analyst forecasts and management provided a rosy outlook, the company's stock price is still down by 6% from where it stood before those numbers came out. After Huang's disclosure about an anticipated doubling in backlogged chip orders, Nvidia's shares edged up by nearly 2% to close Monday at \$183.22.

While analysts expect Nvidia's revenue to surpass \$330 billion for the upcoming year, the company is facing its first serious challenges in the AI chip market as other technology powerhouses such as Google and Facebook's corporate parent Meta Platforms

try to develop their own processors.

Nvidia's potential growth is being held back by security and trade barriers imposed by the U.S. that have impeded the company's ability to sell its advanced chips in China.

Huang envisions Nvidia maintaining its instrumental role in AI by continuing to feed the feverish demand for chips that power chatbots like OpenAI's ChatGPT and Google's Gemini and expanding its reach into the emerging market for inference processors.

Once an AI tool is trained, inference chips enable the technology to take what it has learned and

produce responses — whether it be writing a document or creating an image — more efficiently than the processors that were used while the large language models were being built.

"The inference inflection has arrived," Huang said.

To help navigate its transition into the inference field, Nvidia struck a multi-billion dollar licensing deal with market specialist Groq that included the hiring of that startup's top engineers.

"Nvidia isn't going to cede any market share to Google or Meta," said Ives, who believes Nvidia's market value will eclipse \$6 trillion during the next year or so.

Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION
FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER
RENEWAL
PERMIT NO. WQ0013778002

APPLICATION AND PRELIMINARY DECISION. Stephen Joel Friedman, 300 Shepherd Drive, Suite A, Houston, Texas 77007, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0013778002 which authorizes the discharge of treated domestic wastewater at a daily average flow not to exceed 10,000 gallons per day. TCEQ received this application on October 31, 2025.

The facility is located at 5930 Highway 6 North, in Harris County, Texas 77084. The treated effluent is discharged to Lingham Creek, thence to Bear Creek, thence to South Mayde Creek, thence to Buffalo Bayou Above Tidal in Segment No. 1014 of the San Jacinto River Basin. The unclassified receiving water uses are intermediate aquatic life use for Lingham Creek and Bear Creek, and limited aquatic life use for South Mayde Creek. The designated uses for Segment No. 1014 are primary contact recreation and limited aquatic life use. All determinations are preliminary and subject to additional review and/or revisions. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application. <https://gisweb.tceq.texas.gov/LocationMapper/?marker=-95.645,29.864166&level=18>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Harris County Public Library- Katherine Tyra Branch, Public Notice Shelf, 16719 Clay Road, Houston, Texas. The application and associated notices are available electronically viewing and copying at the following webpage: <https://www.tceq.texas.gov/permitting/wastewater/pending-permits/tpdes-applications>.

ALTERNATIVE LANGUAGE NOTICE. Alternative language notice in Spanish is available at <https://www.tceq.texas.gov/permitting/wastewater/plain-language-summaries-and-publicnotices>. El aviso de idioma alternativo en español está disponible en <https://www.tceq.texas.gov/permitting/wastewater/plain-language-summaries-and-publicnotices>.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "I/ we request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period. TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, Texas Commission on Environmental Quality, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www.tceq.texas.gov/goto/comment within 30 days from the date of newspaper publication of this notice.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at www.tceq.texas.gov/goto/comment, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC 105, P.O. Box 13087, Austin, Texas 78711-3087. Any personal information you submit to the TCEQ will become part of the agency's record; this includes email addresses. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Stephen Joel Friedman at the address stated above or by calling Mr. Timothy Manley, P.E., President, at 713-777-5725.

Issuance Date: February 23, 2026

NOTICE OF SALE
MEMORIAL HILLS UTILITY DISTRICT
(A Political Subdivision of the State of Texas Located within Harris County)

\$4,940,000
Unlimited Tax Bonds,
Series 2026

The Board of Directors of Memorial Hills Utility District will publicly receive electronic bids on \$4,940,000 Unlimited Tax Bonds, Series 2026, on Tuesday, March 31, 2026 at 10:00 A.M., Central Standard Time, at the offices of the District's Financial Advisor, Hilltop Securities Inc., 700 Milam Street, Suite 1200, Houston, Texas 77002. The Board will take action to reject any and all bids or accept the bid resulting in the lowest net interest cost to the District at 12:00 P.M. Central Standard Time, at the District's meeting place, 2225 Briarcreek Boulevard, Houston, TX 77073.

A bid for the Bonds may be delivered to the District electronically. All bidders must submit a bank Cashier's Check in the amount of \$98,800.00 payable to the order of the District as a Good Faith Deposit. Additional terms and conditions related to the submission of a bid for the Bonds are included in the "Notice of Sale and Bidding Instructions."

The Bonds will mature serially on April 1, 2027 through 2051 and will be dated May 1, 2026. "Notice of Sale and Bidding Instructions," the "Preliminary Official Statement" and the "Official Bid Form" may be obtained from the District's Financial Advisor, Hilltop Securities Inc., 700 Milam Street, Suite 1200, Houston, Texas 77002. This notice does not constitute an offer to sell the Bonds but is merely notice of sale of the Bonds as required by Texas law. The offer to sell the Bonds will be made by means of the "Notice of Sale and Bidding Instructions," the "Preliminary Official Statement," and the "Official Bid Form."
