PUBLIC NOTICE OF INTENT TO INCREASE RATES
AVISO PUBLICO DE LA SOLICITUD PARA INCREMENTAR TARIFAS

On November 16, 2016, CenterPoint Energy Resources Corp. d/b/a CenterPoint Energy Entlex and CenterPoint Energy Texas Gas ("CenterPoint Texas" or the "Company"), filed a Statement of Intent to Increase Rates ("Statement of Intent") in its Houston and Texas Coast Divisions. In addition to requesting a change in rates, the Company is proposing to consolidate the Houston and Texas Coast Divisions into a new single division, the Texas Gulf Division. The Statement of Intent was filed with each regulatory authority having original jurisdiction over the gas utility rates charged by the Company to customers within the proposed Texas Gulf Division. The proposed increase in rates will affect all residential, small commercial and large volume customers within the incorporated cities and unincorporated areas of the Texas Gulf Division. The proposed effective date of the requested rate changes is December 24, 2016. The Texas Gulf Division is comprised of the following cities and unincorporated areas ("cities"), who are taking service under the Company's existing general service rate schedules in the Houston and Texas Coast Divisions:

Houston Division: Bellaire, Bunker Hill Village, Conroe, Cut and Shoot, Deer Park, Galena Park, Hedwig Village, Hillshire Village, Houston, Humble, Hunters Creek Village, Jacinto City, Jersey Village, Meadows Place, Missouri City, Montgomery, Nassau Bay, New Caney, New Waverly, Oak Ridge North, Panorama Village, Pasadena, Pineda Point Village, Porter, Roman Forest, Shenandoah, South Houston, Southside Place, Spring, Spring Valley Village, Stafford, West University Place, Willis, and The Woodlands Township*. Texas Coast Division: Alvin, Angleton, Bayliff, Barretts, Baytown, Beach City, Beasley, Boling, Brookshire, Brookside Village, Channel Area*, Clear Lake Shores, Clute, Columbia Lakes*, Crosby*, Darnon, Danbury, Dickinson, East Bernard, El Lago, Freeport, Friendswood, Fulshear, Glen Flores, Highlands*, Hillcrest Village, Hitchcock, Humperston, Jagot, Iowa Colony, Jones Creek, Katy, Kemah, Kendleton, Lake Jackson, La Marque, La Porte, League City, Liverpool, Manvel, Mont Belvieu, Morgan's Point, Needville, New Gulf*, Old Ocean*, Orchard, Oyster Creek, Pearland, Pecan Grove*, Pleak, Richmond, Richmond, Rosenberg, Rosharon*, San Leon*, Santa Fe, Seabrook, Shoreacres, Sienna Plantation*, Sugar Land, Taylor Lake Village, Teal Run*, Texas City, Van Vleet*, Wallis, Webster, West Columbia, Weston Lakes, and Wharton.

The customer count and revenue increase amounts detailed in TABLE B below for the unincorporated areas are presented on a consolidated basis for the Houston and Texas Coast Divisions.

The proposed rates and tariffs are expected to increase CenterPoint Texas' annual non-gas revenues for the Texas Gulf Division by approximately \$31.0 million or 4.6% including gas costs or 10.7% excluding gas cost. For customers in the Texas Coast Division, this represents an annual increase of approximately 3.0% including gas costs, or 5.0% excluding gas costs for the average residential customer. The proposed revisions to the rate schedules amount to an increase of \$0.93 per month (exclusive of gas cost and revenue-related taxes) for the average residential customer in the Texas Coast Division. For customers in the Houston Division, exclusive of the Conroe Purchased Gas Adjustment ("PGA") area, this represents an annual increase of approximately 7.3% including gas costs, or 16.2% excluding gas costs. The proposed revisions to the rate schedules amount to an increase of \$2.74 per month (exclusive of gas cost and revenue-related taxes) for the average residential customer in the Houston Division, exclusive of the Conroe PGA area. For customers in the Conroe PGA area within the Houston Division, this represents an annual increase of approximately 19.2% including gas costs, or 16.3% excluding gas costs. The proposed revisions to the rate schedules amount to an increase of \$2.80 per month (exclusive of gas cost and revenue-related taxes) for the average residential customer in the Conroe PGA area within the Houston Division. TABLE B below summarizes impacts to customers on a city-by-city basis. The proposed change in rates constitutes a "major change" as that term is defined by Section 104.101 of the Texas Utilities Code. For the unincorporated areas, the proposed change in rates will not become effective until similar changes have become effective within the nearest incorporated city. The rates requested for the unincorporated areas are not specifically tied to any incorporated areas.

*Including an estimate of the effect of consolidating the PGA Rate Schedules.

The Company proposes to implement the following rates: Residential customer charge will increase from \$15.85 (Houston) or \$16.17 (Texas Coast) to \$16.75 per bill per month and the commodity charge will change from \$0.03080 (Houston) and \$0.07460 (Texas Coast) to \$0.08514 per Ccf; the General Service-Small customer charge will increase from \$18.07 (Houston) or \$17.20 (Texas Coast) to \$18.25 per bill per month and the commodity charge will change from \$0.04030 (Houston) and \$0.06710 (Texas Coast) to \$0.05797 per Ccf; and the General Service-Large customer charge will change from \$276.79 (Houston) and \$56.45 (Texas Coast) to \$70.00 per bill per month, and the commodity charge will change from \$0.05540 (Houston) and \$0.04400 (Texas Coast) to \$0.03408 (Houston) and \$0.03340 (Texas Coast) per Ccf. As part of this rate change, the Company also seeks approval of new depreciation rates that will be applicable to distribution and general plant assets in the Texas Gulf Division. In addition, the Company seeks a determination that its interim rate adjustments for the Houston Division for the period April 1, 2009 through September 30, 2016 and for the Texas Coast Division for the period October 1, 2014 through September 30, 2016 are just and reasonable in accordance with Texas Utilities Code § 104.301.

Based on the proposed customer rate design, and excluding revenue-related taxes, the average monthly bill for a residential customer, small commercial, and large volume customer in the Texas Gulf Division will change by the amount and percent shown in the tables below:
